## Wines to Discover!

**Padrillos 2022 Malbec (Argentina)**  
A flavorful and fruity red with raspberries, cherries, fresh violets and sandalwood on the nose. Medium-bodied with fine tannins. Fresh, fruity and juicy with dark cherries and a chocolaty finish.  
90 Points James Suckling  
**\$9.45**

**Cusumano 2022 Nero d'Avola (Italy)**  
A well-built, structured and vivid nero d'avola, showing notes of dark berries, stones and wafers on the nose. Medium-bodied with fine, firm tannins. Attractive and focused, with more purple-fruit character in the finish.  
91 Points James Suckling  
**\$10.45**

**Diatom 2023 Chardonnay (California)**  
Its vivid medium gold hue is followed by a vibrant nose of salted citrus, tangerine, exotic flowers, and subtle spice. Medium-bodied, pure, rounded, and beautifully balanced, it has plenty of power and density, integrated acidity, and a great finish. This impeccably made Chardonnay should be snatched up by readers, as it competes with wines at two to three times the price.
